

Downtown Parking Facilities

The City of Glendale operates three downtown public parking facilities: the Exchange, the Marketplace, and Orange Street and all offer **90 minutes of free parking**. These facilities are owned by the City and currently maintained by a parking operator. All of these facilities help support businesses at the Exchange retail area, the Marketplace shopping area, and Mid-Brand Boulevard Merchants by supplying approximately 2,400 public parking spaces. Each facility offers monthly parking for employees of local businesses. For more information, please call (818) 550-1791.

OTHER PARKING FACILITIES

The City of Glendale also owns the Civic Center Parking Facility. The main purpose of this facility is to support the parking demand of city employees and City Hall visitors. This structure contains 594 spaces.

The Glendale Transportation Center (GTC) is a main depot terminal where commuters arrive and depart by use of public transit. Services that are available at the GTC include Metrolink, MTA, Glendale Beeline, Greyhound, and Amtrak. Commuters may also park and ride by using one of the facilities 400 parking spaces. The GTC is located at 400 West Cerritos Avenue.

If you have any questions or comments regarding parking in Glendale, please contact the Traffic and Transportation Division at (818) 548-3960.
