

DOWNTOWNGLENDALE.COM 2010/2011 MEMBERSHIP APPLICATION

Letter from the President:

The City of Glendale is booming – with new residents moving into the community and continued growth of our business district. During the past years, the Downtown Glendale Merchants Association has worked hard to bring business to the area, serve as an advocate for businesses and advise the City on issues relating to the needs and wants of local merchants.

In the past year, we have developed an entirely new web site to help promote the downtown business district, sponsored a host of events with the City of Glendale and Alex Theatre to help bring people into the downtown and are currently working on events driven email campaigns to keep the public informed about special events and offers that our members are sponsoring.

Of course, the continued success of our business district lies with you. I encourage you to join the Downtown Glendale Merchants Association. We meet the 3rd Wednesday of every month at 118 West California Avenue (under the Orange Street parking structure.)

I look forward to seeing you at the next meeting and welcome your feedback. If you have any questions, please don't hesitate to call me at (818) 445-3150.

Helen McDonagh
President, Downtown Glendale Merchants Association
